

## **Murano Solar Garden Globe - Midnight – Solar Technology**

**Part Number: 41330M**

### **Brief Description**

The Murano Globe Light fuses the modern and ancient to bring a truly unique blend of performance and beauty. Each globe is unique and provides the most stunning light show to any garden, pathway or pond.

### **Catalogue Description**

Murano blends modern technology with centuries old skills of hand blowing glass. Each unique glass globe contains embedded luminescent crystal which, once dark, give a wonderful glow but when you add in a super bright white LED bulb powered by our state of the art solar cell, the effect is truly wondrous. Once dark the "Midnight" globe appears to magically float in the air looking, as it does, very much like planet Earth - truly inspiring!
